Our Mission:
Caring for a lifetime.

Our Vision:
Extraordinary people. Exceptional care.

Our Values:
Integrity, Compassion, Skill, Collaboration, Innovation & Humor

Blanchard Valley Health System is a non-profit, integrated regional health system based in Findlay, a unique micropolitan community in Northwest Ohio. Blanchard Valley Hospital, the anchor subsidiary of Blanchard Valley Health System, was founded in 1891 as the Findlay Home for Friendless Women and Children. The town of Bluffton, 17 miles south of Findlay, opened the doors to its community hospital, Bluffton Hospital, in 1908. In 1995, both hospitals joined to become part of Blanchard Valley Health System.

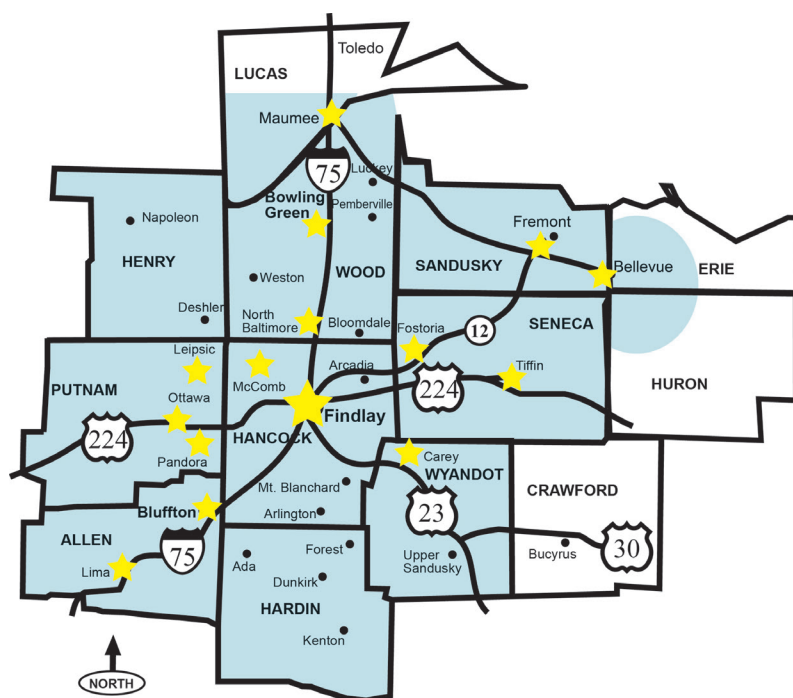

In the early 1980s, BVHS began its expansion of caring for those outside our hospital walls with the addition of home health services. BVHS added senior retirement care through the development of Birchaven Village in 2001 as well as the addition of

Independence House in 2008. In 2012, BVHS expanded services again by becoming sole owners of Hanco EMS.

Today, BVHS is a comprehensive health system offering the Northwest Ohio region a full continuum of care. We are rooted in the community, and growing to meet your needs.

BVHS is one of the largest employers in the area with more than 3,000 associates and serves an eight-county area that includes Hancock, Allen, Putnam, Henry, Wood, Seneca, Wyandot, and Hardin Counties.

In addition, more than 700 volunteers support BVHS through their contributions of time and money. As part of the BVHS family, the Auxiliary is a major contributor to our standards of excellence.
