

To ensure your safety, and that of our staff and providers, we ask that you adhere to the following policy updates:

- Our parking lot will become the “waiting area.” Please arrive in our parking lot at least five minutes prior to your appointment and call 419.429.7600 to let us know you have arrived. You will be notified when your provider is ready to see you for your scheduled treatment.
- All clients will be asked screening questions and will have their temperatures checked at the door prior to entry. Hand sanitizer will be available in each treatment room and common area, please use them as appropriate. We will also request that all of our clients wear facial coverings or masks during their time in our facility.
- Per the mandate by the State of Ohio, we will disinfect and sanitize treatment rooms and common areas after each client. All associates and providers will also have their temperatures checked before entering the building, will wear the recommended masks and gloves during all visits and procedures and will maintain vigilant hand washing protocols.
- If you are scheduled for an appointment and feel ill with respiratory symptoms, have knowingly come in contact with someone who has been diagnosed with COVID-19 within the last 14 days, have been asked by your doctor to self-quarantine, or have a compromised immune system, we ask that you call the office and reschedule your appointment to a later date.
- While we are very excited to serve our community again, we kindly ask that you do not bring friends or family members along with you to your appointments during this time.
- To ensure the health of everyone we serve, our checkout process has become contactless.

For questions or concerns about this process please call 419.429.7600. We look forward to making you look and feel amazing!

– The Beyond MedSpa Team
