Hospital / procedures	One designated parent or guardian	Normal visitation
Emergency department	One designated parent or guardian	Normal visitation

- One designated visitor = the same visitor age 16 and older for the entire stay.
- Two visitors per day = two visitors age 16 and older per day. The visitors may switch from day to day.
- Compassionate exceptions = A patient's care team may make compassionate exceptions, when appropriate. Clergy and spiritual care staff will not count as patient visitors.

- Orchard Hall remains NO visitors
- Case count updated weekly by CDC
- Follow color of the county in which the facility is located

- PPE for visitors entering a COVID+ room will include procedure mask, eye protection, gown and gloves. Visitors will be asked to exit the room for intermittent aerosolizing procedures and treatments. Visitors for COVID + patients on hi-flow, bi-pap, cpap or vent may stay in the room with understanding that risk of contracting COVID is higher with these treatments.
