

We are pleased to announce that **Frank Fumich, M.D.** has joined our medical staff and is a partner at Orthopaedic Institute of Ohio.

Dr. Fumich received two bachelor's degree from West Virginia University (Morgantown, WV), one in biology and the other in chemistry. He attended medical school at Marshall University School of Medicine (Huntington, WV) and returned to West Virginia University to complete his residency in the department of orthopaedic surgery. Dr. Fumich fulfilled his fellowship in orthopaedic spine surgery at the University of Pittsburgh Medical Center (Pittsburgh, PA) and is board-certified.

Please join us in welcoming Dr. Fumich to our medical staff!
