

Blanchard Valley Health System (BVHS) welcomes James Steckel, PA-C to Blanchard Valley Hospital (BVH). James will work in the hospital's open heart and operating room.

James received his associate of arts degree in 1984 and then received a second degree in applied science in 1988 from Cuyahoga Community College (Parma, OH). James has been practicing as a physician assistant for 28 years in surrounding area hospitals, assisting in cardiothoracic cases. He has experience in endoscopic vein harvesting/radial artery harvesting as well as chest tube management and A-line insertions.

Please welcome James to our hospital staff!
