

We are pleased to announce that **Brooke Scollin, PA-C** has joined our medical staff and is a provider at Orthopaedic Institute of Ohio.

Brooke received her bachelor's degree from the University of Dayton (Dayton, OH) in pre-medicine. She completed her master's degree in physician assistant studies at Arcadia University (Newark, DE). She has worked as a dietary aide for a nursing and rehabilitation center as well as a medical assistant at a comprehensive breast care facility, both in Michigan.

Please join us in welcoming Brooke to our medical staff!
